

TIME & ATTENDANCE

INTEGRATION PACKAGE

ATOM

FULL-FEATURED CLOUD-BASED T&A SOLUTION INTEGRATED WITH ATG

ATOM serves as a comprehensive solution designed to streamline the way businesses manage employee attendance. By seamlessly integrating with ATG, our system provides a unified platform for access control and time tracking. What sets ATOM apart is its cloud-based architecture, ensuring that the data is securely stored and accessible anytime, anywhere.

-  Real-time data access
-  Automated reports
-  Payroll integration
-  Tamper-proof
-  Scalable

INTEGRATION PACKAGE BETWEEN ATG AND OTHER ACCESS SYSTEMS

ATOM also serves as a versatile integration package that bridges the gap between ATG and other access control systems. Currently, ATOM seamlessly integrates with Impro Portal and HikCentral, enhancing their capabilities and providing a unified solution for access management. We are also actively working towards integrating with Gallagher in the near future, further expanding our compatibility with industry-leading systems.

-  Unified access control
-  Maximised compatibility
-  Streamlined operations
-  Future-ready
-  Industry-leading support
